

PRINT FORM AUTOMATION

PRINTING DOCS MADE EASY

The Ignite Print Form Automation utility automatically selects documents based on loan criteria and logic and delivers them to a drive/folder in a Lender's network where an end user can print all docs in a single process and provide to a borrower.

BENEFITS OF PRINT FORM AUTOMATION:

- Provide docs to borrowers based on updates from the loan file
- Removes user dependency to generate docs
- Automates Transfer of Servicing Letters & Goodbye Letters
- Automates First Payment Letters
- Saves a copy of printed docs to the efolder for historical reference
- Batch process runs on scheduled basis so multiple loans and multiple docs can execute
